## Profile

---

Software Developer with 2+ years of hands-on experience in full-stack web development. Proficient in modern technologies including JavaScript, TypeScript, React, Node.js, Express, SQL, and MongoDB. Adept at building scalable, high-performance web applications using Agile methodologies. Strong focus on clean code, performance optimization, and delivering user-centric solutions. Committed to continuous learning

## Professional Experience

---

**SpotLet** 🔗

SOFTWARE DEVELOPER

06/2023 – 06/2025

Hyderabad,  
Telangana

## Projects

---

**SpotLet Web application** 🔗

- Assisted with planning, designing, coding, debugging, testing, documenting, and maintaining software applications.
- Developed responsive, user-friendly front-end interfaces with a strong focus on UI/UX using React, Bootstrap, and Tailwind CSS to ensure consistency across devices.
- Developed RESTful APIs with Node.js and Express.js for efficient and secure data operations
- Managed database operations with MongoDB and Mongoose for effective schemabased data modeling.
- Deployed scalable applications on AWS using EC2, S3.
- Maintained source control repositories such as Git for versioning purposes.
- Optimized program performance by analyzing code and making changes as needed.
- Collaborated with team members to ensure successful project completion.

**SpotLet Admin web application**

- Built a **web-based admin platform** using **React**, **TypeScript**, **Tailwind CSS**, and **Bootstrap** for managing users, content, and settings.
- Integrated **backend APIs** with **Node.js** and **MongoDB** to support admin operations such as data updates, approvals, and reporting.
- Implemented features like **role-based access control**, **dashboard analytics**, and **secure login** to streamline admin workflows.

**SpotLet mobile application** 🔗

- Built cross-platform mobile applications using **React Native**, ensuring consistent performance on both iOS and Android devices.
- Integrated mobile front-end with RESTful APIs for real-time data interaction and seamless user experiences.
- Implemented responsive UI components and navigation flows tailored to mobile user behavior.

- Debugged and tested mobile applications using tools like **Flipper**, **Android Studio**, and **Xcode**, ensuring optimal performance and minimal bugs.
- Published builds to app stores and managed updates and versioning for mobile app deployments.

## Skills

---

### Front-End

React Js, React Native, Next Js, JavaScript, TypeScript, HTML

### Database Management

SQL Server, MongoDB

### Version Control

Git, GitHub, Bitbucket

### Responsive Web Designing

CSS, Bootstrap, Tailwind CSS

### Back-End

Node.js, Express.js

### Cloud Services

Amazon Web Services (AWS)-Learning

### Development Methodologies

Agile Development

## Education

---

### Kakatiya University

02/2022

*BACHELOR OF COMMERCE IN COMPUTER APPLICATIONS*

Warangal, Telangan

Earned a Bachelor of Commerce in Computer Applications, integrating business management with software development expertise.

## PROFESSIONAL ACHIEVEMENTS AND HONORS

---

### BEST DISCIPLINED EMPLOYEE AWARD

2023

*SpotLet*

- Recognized for exceptional adherence to company policies, consistent punctuality, and maintaining a high standard of professionalism and conduct in the workplace.

### NCC 'C' CERTIFICATE SERGEANT

2021

*Indian Army*

- Achieved the rank of Sergeant, demonstrating leadership, discipline, and commitment.
- Completed rigorous training in drill, physical fitness, and basic military knowledge
- Participated in various national and community service activities.
